Dear Families,

Eco Council and the School Nutrition Action Committee have teamed up to investigate how much food waste we have within school.

All representatives have given their opinion that our food waste is too high and are challenging each lunch hall to reduce their food waste over the Summer term.

Starting in Summer 1, representatives will work together to weigh our food waste from school dinners each day. This will then be tracked across the term to help everyone see the impact they are making.

To help us kick start this project, we are asking families to do the following:

1. Ensure you look at the new school menu with your child and talk about what they like.
2. Encourage your child to minimise waste when eating their lunch.
3. Support your child with choosing their daily lunches from the menu.
4. Take the Easter break as an opportunity for your child to try some new foods that may be part of a school meal on the menu.

Thank you for reading and for your support.

Eco Council and SNAC

Head of School: Mrs S Mulford  
Executive Head teacher: Miss L Clements McLeod  
Chair of Governors: Mr H Cook
