Sun Cream

Please ensure you apply sun cream to your child before they arrive at Little Pirates, and also send a named bottle with them, so they can re-apply it throughout the day.

Clothing

At Little Pirates we request for children to wear practical clothing, which is easy for them to put on and take off. We play outdoors in all weathers and have messy play activities, so please send them to us, wearing clothes that you don't mind getting messy. We ask for sensible shoes to be worn, no open toe sandals, wellies will be required for wet weather days and sun hats for the sunny days.

Please label all items with your child's name.
