

Blossom

a group for children with additional needs.

A group to support children's individual needs through play, where they can work towards their own milestones.

Meet other parents and carers to talk and share experiences.

Includes visits and information sharing from a range of specialist services.

We recognise that some children may not have received a diagnosis yet. That's why this session is open to all children and families that find other groups challenging.

Thetford ECFS Base
Kingsway, Thetford, IP24 3DY

Every Thursday
1:30-2:30pm

Starting
19th January!

Please note that in this session children will have access to outdoor play and messy activities. Please ensure that they are dressed appropriately and bring a change of clothes if you wish.
